

Your assignment.

Describe one example of Planning, Organization, Leadership, Control and Adaptation from Mixerman Diaries. That means 5 examples total!

2 sentences - 1 paragraph.

Leadership and Adaptation are the most challenging things to learn and also require the most explanation. Therefore please elaborate these two a little bit more.

This is essentially the first 5 questions of the final. The account for about 5% of your final grade.

Due Tuesday April 24th.

Questions?

Thinking 6 to 7 years out and regarding
your major, assume that you are an
excellent performer in your job. What
do you think the organization is going to do
as a reward for that performance?
Promotion to management!!!
What does that word mean to you?

Introduction

Introduction

- Two most difficult skills
 - Leading = just because you have a title doesn't make you a leader; you earn that title.
 - Some of the best I've known had no title.
 - Adapting = learned by dealing with the challenges put in front of you
 - Reality is not paid to plan, organize and control; rather, org. wants to see how well you lead and adapt.
